

## User Guide

How to Use the Favourites Functionality

### Introduction

Important content can be bookmarked as a 'Favourite' and added to your 'My Favourites' folder. This guide will show you how to use the 'Favourites' functionality.

#### Instructions

1. Open the relevant document and click on the 'Favourites' button.

2. Select 'Add' from the drop-down menu.

3. Enter a caption and click 'Ok'.
