

# Quick Start - DXS Mail Client Configuration

Individual

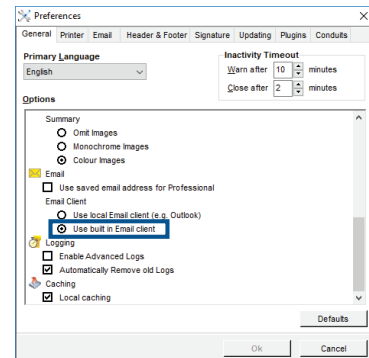

1

Open the 'Preferences' window.

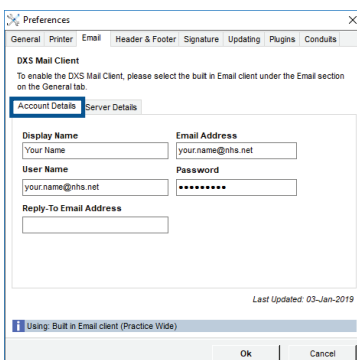

2

Click on the 'General' tab and select 'Use built in Email client'.

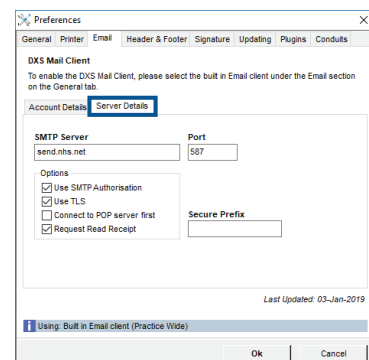

3

Click on the 'Email' tab and enter your account details.

4

Select the 'Server Details' tab and enter the relevant information.

5

Send a test email (e.g. education leaflet) to confirm that the email configuration is correct.
