16. An 'Add (+)' button will appear at the bottom right corner below the drug chart.

- 17. If you would like to add another instruction manually, click on the 'Add (+)' button.
- 18. It is important to ensure that all mandatory fields are completed as indicated below.
  - Before:

-

© 2024 DXS International plc - All Rights Reserved.

19. Once you are satisfied with the drug chart and completed all relevant fields, click on each 'Sign' button to add your signature to all the relevant 'Prescriber's Signature' fields.

20. To save and email the drug chart, select the 'Email' button located on the toolbar.

21. A notification will appear with the options to either 'Save as Draft' or 'Save as Complete'.

#### 22. Select 'Save as Complete'.

23. And then click 'Email'.
