Quick Start Guide Signature Setup

Upload an image of your signature onto your PC and save it in a chosen location.

Documents New ~		Sort - View - ···	- 0	×
	> This PC > Documents	✓ Ø Starch Documents		
Quick access Desttop Downloads Documents Pictures Admin DAX-EMIS Temp temp temp	Synthem Signature			
> 🌰 OneDrive - Perso > 🛄 This PC				
> 🚅 CD Drive (D.) virt				

On the main toolbar, click on the 'Options' button to open the 'Preferences' window.

Go to the 'Signature' tab and click on 'Load' to upload the signature image from the saved location on your PC.

When uploaded, the signature will be displayed under 'Image'.

Click 'Ok' to save your signature.

Additional information / PMH / Allergies / Sensitivities	
PMH	
Active Problems: Suspected lung cancer 06/11/2024	
Allergies/Sensitivities	
In my opinion ischaemic heart disease is:	
Very likely	
Likely	
Unlikely	
Staned (referring GP)
